SYSTEM

Ergonomic doorstop
Ideal to be used during cleaning operations

Advantages

- **Ergonomic:** thanks to its release system it can be placed and removed with ease and no unnecessary bending is needed
- **Non-marking:** thanks to its thermoplastic rubber edge it leaves no marks on doors or floor surfaces
- **Universal:** designed to fit all door sizes
- **Non-slip:** it will grip most surfaces thanks to its moulded rubber edge
- **Compact:** small in size, easy to carry around, hanged on cleaning trolley

Material

Polypropylene, rubber
