SYSTEM

Flat mop system with flaps, to be used with roll, jaw or flat wringer
Ideal for washing of non-slip or porous surfaces, suitable to remove ingrained dirt

GREEN BOX

EU Ecolabel Certificate

DECITEX of the fibres

Microfibre: 0,16 DTX

Efficient: microfibre requires less chemical to remove dirt and bacteria, reducing water and chemical consumption

Wet System Microsafe mop is classified as having a low release of microplastics during washing (test conducted according to DIN EN ISO 4484-1 and 4484-2 by a specialised external laboratory)

Analysis

Analysis of the mechanical action of the Microsafe flat mop alone revealed a 99.99% removal of bacteria and fungi present on the surface (test conducted by a specialised external laboratory adapting the UNI EN 16615:2015 standard).

23/10/25

Advantages

- **Time-saving:** thanks to the large cleaning surface and the possibility of reaching corners and cleaning under furniture
- **Ergonomic:** lightweight, it reduces operator's strain
- **Highest hygiene:** Microfibre penetrates the micro-pores in the floor, collecting dirt and 99.99% of bacteria

Material

Yarn: 70% microfibre (80% polyester, 20% polyamide) - 30% polypropylene - Support: polyester

Packaging: [click here to see the environmental labelling of packaging](#)

Features

Polypropylene inserts for an abrasive action, but respectful of the surfaces

Warnings

Use alkaline detergents with a pH below 11

Washing conditions

Guidelines for proper fibre maintenance

Follow the washing instructions (temperatures and dosage) on the laundry detergent packaging
Perform a pre-wash in cold water without laundry detergent to remove any residual product used during cleaning operations

Recommended use of professional textile laundry detergent

Do not use fabric softener

Do not use laundry detergents with Ph > 11

The use of laundry nets is recommended to speed up and make laundry operations more hygienic

Specific mop instructions

Washing temperature max 90° C, recommended 60°

Bleaching possible, do not use chlorine

Tumble dry or in a dryer possible with low program
