SYSTEM

System with dustpan and floor squeegee to collect any type of dirt, either solid or liquid
Ideal for all the places where liquids such as bars, restaurants, canteens and hospitals are handled

Advantages

- **Effective:** rubber blade that adapts perfectly to any type of floor
- **Hygienic:** closed-cell rubber prevents dirt and bacteria from collecting
- **Hygienic:** floor squeegee easier to clean in comparison with the traditional dustpans with broom
- **Touch-free:** the way in which the bag is fixed allows to remove it safely avoiding any contact with the hands
- **Compact:** foldable grip, it reduces volume and improves transport on the trolley
- **Practical:** grip equipped with handle holder

Material

Structure: ABS - Handle: aluminium - Floor squeegee 30% polypropylene, 70% thermoplastic rubber
