SYSTEM

Hanging bin
Ideal for areas where frequent cleaning is needed, cleaning operations are faster as the bin is hanging

GREEN BOX

Eco-friendly: completely made of polypropylene, non-rusting, solid and entirely recyclable

Advantages

- **Elegant:** pleasant design, ideal for any environments
- **Time-saving:** it does not slow up cleaning operations, enables cleaning tools to pass on the floor, it does not get dirty as it does not have any contact with the floor
- **Noiseless:** equipped with SHHUT system to close slowly and noiselessly the lid
- **Anti-odour:** lid provided with odour eliminating cartridge box
- **Safe:** provided with key to lock the bin to the support and keep the lid open during emptying
- **Handy:** the handles to lift the bin are on both sides
- **Easy to maintain:** the smooth surfaces and the absence of cavities facilitate cleaning and guarantee a high level of hygiene

Material

Polypropylene

Packaging: [click here to see the environmental labelling of packaging](#)

Features

Provided with kit to secure the bin to the wall through a support and screws (at about 10 cm from the floor)

Bin designed to stand even detached from the wall support

Provided with bag tightener
