T080255EB	15 L plastic bucket for Nickita trolleys, with blue handle	1 pc
T080255ER	15 L plastic bucket for Nickita trolleys, with red handle	1 pc

SYSTEM

Double cleaning trolley with professional jaw wringer
Ideal for cleaning medium-large areas where it is necessary to rinse the mop

GREEN BOX

Components made with certified recycled plastic PSV - Plastic Second Life

Efficient: suitable for removing wet, greasy or stubborn dirt in areas where rinsing is required, separates the cleaning solution from the rinsing water and is equipped with colour-coded buckets made from 50% recycled plastic

Carbon Footprint Systematic Approach: greenhouse gas emissions for each stage of the life cycle of this product have been calculated with ICMQ certified software
Quantifying the Carbon Footprint of a product (CFP) enables an environmentally conscious and responsible choice

Eco-friendly: completely made of polypropylene, non-rusting, solid and entirely recyclable

Advantages

- **Design:** well-finished, subtle and stylish to fit into any environment
- **Ergonomic:** the wringer is positioned higher than others in the market to limit bending
- **Effective:** wringer studied with a mechanism that brings jaws to the bottom ensuring performance without the need of reductions
- **Handy:** lightweight and compact to facilitate manual handling during cleaning operations
- **Versatile:** the single frame is compatible with 15 and 25 L buckets
- **Shock-resistant:** one-piece frame entirely made of plastic, guarantees lightness and strength and increased lifespan
- **Hygienic:** the Lampo system allows placing frames on the trolley, avoiding direct hand contact with contaminated surfaces

Compatibility

Compatible with flaps, pockets system and mops

Material

Polypropylene

Packaging: [click here to see the environmental labelling of packaging](#)

07/07/25

Features

Provided with ergonomic and flexible handle
Wringer complete with front anti-spurt panel
Wringer with handle holder to fix the handle during transport
Integrated Plug Lampo devices
80 mm wheels with bumpers
