SYSTEM

Glass cleaning system with fleece and squeegee
Ideal for professional use

GREEN BOX

Eco-friendly: stainless, robust and recyclable plastic components
Recycled materials: the stainless steel used to make the components is partly recycled

Advantages

- **Efficient:** locking lever for quick blade replacement without having to release the channel
- **Handy:** 30% easier to open the blocking plate than conventional window squeegees
- **Ergonomic:** handle designed to minimise strain and prevent fatigue
- **Effective:** the completely smooth blade ensures maximum adherence and cleaning
- **Hygienic:** closed-cell rubber prevents dirt and bacteria from collecting
- **Long durability:** stainless material, guarantees a long product life
- **Safe:** remains firmly attached to the pole during use, preventing accidental release

Material

Polyamide, POM, stainless steel, rubber*

*The rubber used in the manufacture of this product does not contribute to deforestation or forest degradation, in accordance with the European Deforestation-free Products Regulation (EUDR) of 31 May 2023.

Packaging: [click here to see the environmental labelling of packaging](#)

Features

Italian thread

The blade can be easily replaced when it wears out
