SYSTEM

Wax spreader system with wax spreader mop
Ideal for flooring treatment and glass cleaning

Advantages

- **Effective:** high-performance microfibre allows even, streak-free distribution of any type of liquid finish
- **Efficient:** the highly absorbent yarn gradually releases the wax, ensuring a long lasting use
- **Handy:** the 180° articulated joint allows to use it with ease in congested areas

Compatibility

Compatible with any handle with hole with diameter from 18 to 23 mm

Material

Support: aluminium, polypropylene - Washer sleeve: microfibre (100% polyester)
Packaging: [click here to see the environmental labelling of packaging](#)

13/02/25

Features

Provided with 360° articulated joint for greatest flexibility

Washing conditions

Guidelines for proper fibre maintenance

Follow the washing instructions (temperatures and dosage) on the laundry detergent packaging
Perform a pre-wash in cold water without laundry detergent to remove any residual product used during cleaning operations

Recommended use of professional textile laundry detergent

Do not use fabric softener

Do not use laundry detergents with Ph > 11

The use of laundry nets is recommended to speed up and make laundry operations more hygienic

Specific mop instructions

Washing temperature max 90° C, recommended 60°

Bleaching possible, do not use chlorine

Tumble dry or in a dryer possible with low program
