SYSTEM

Bucket with divider to separate rinsing water from chemical, for professional wringer
Ideal for cleaning medium-large areas where it is necessary to rinse the mop

GREEN BOX

Eco-friendly: completely made of polypropylene, non-rusting, solid and entirely recyclable

Advantages

- **Effective:** separation of cleaning solution from rinsing water allows a better cleaning result, less waste of water and chemical
- **Ergonomic:** drain-plug facilitates bucket emptying without lifting it
- **Handy:** higher than the traditional buckets to allow the operator to work while standing
- **Easy to maintain:** the smooth surfaces and the absence of cavities facilitate cleaning and guarantee a high level of hygiene
- **Handy:** double handle to carry it easily

Material

Polypropylene

Packaging: [click here to see the environmental labelling of packaging](#)

27/06/24

Features

Removable hermetic divider with graduated scale
