SYSTEM

Service trolley
Ideal to carry out cleaning and restocking of guest amenities

Advantages

- **Efficient:** characterized by discretion, efficiency and compactness allowing you to carry out cleaning operations quickly and without attracting attention
- **Organised:** enhanced with movable dividers to customise the space, creating an effective ordered system that is easy to transport
- **Removable:** the interior compartments can be removed easily and quickly, facilitating cleaning and hygiene
- **Large:** equipped with multiple compartments and containers of different sizes that allow you to have all you need at your fingertips
- **Handy:** pivoting wheels make handling in small spaces even quicker and more convenient
- **Safe:** the wheels with brakes allow the handling of the trolley while ensuring maximum control when moving it
