SYSTEM

Multipurpose antibacterial polypropylene trolley, modular and customisable to meet every cleaning need
Ideal for high-performance professional cleaning in environments with high contamination risk

GREEN BOX

Eco-friendly: completely made of polypropylene, non-rusting, solid and entirely recyclable

Advantages

- **Hygienic:** the plastic frames separate the trolley modules avoiding contamination between the washing, storage and waste collection area
- **Shock-resistant:** polypropylene, naturally stainless and elastic, guarantees shockproof performance
- **Modular:** components and accessories allow you to customize the trolley for every need, making it easy to update or repair at any time
- **Easy to maintain:** the smooth surfaces and the absence of cavities facilitate cleaning and guarantee a high level of hygiene
- **Discrete:** the soft closing lid assures a noiseless moving

Material

Antibacterial polypropylene
