SYSTEM

Mop system with clamp to be used with flat or jaw wringer
Ideal to clean residual dirt that requires recurring rinsing of the fibres

GREEN BOX

Eco-friendly: completely made of polypropylene, non-rusting, solid and entirely recyclable

Advantages

- **Easy:** easy to use
- **Long durability:** the removable clamp grants a longer product's life in comparison with socket mops

Compatibility

Compatible with jaw and flat wringers
Compatible with any handle with hole with diameter from 18 to 23 mm

Material

Polypropylene

Packaging: [click here to see the environmental labelling of packaging](#)
